Can I decorate my room?

Absolutely! You are allowed to rearrange your room and suite (no lofting of beds) and to decorate to reflect your personality! Be sure to talk with your roommate/suitemates to come up with a decorating plan. Also—please read the following guidelines for hanging items/decorating your dorm room:

DO NOT USE: NAILS, TACKS, TAPE, 3M strips or other products, or SCREWS

Only sticky tack is able to be used to hang decorations/posters on walls

Use supplied cork strips for hanging heavier items with tacks.

All in-room furniture is stackable with the exception of stacking beds on top of desk/dressers/shelves.

If you would like to bunk, un-bunk, or otherwise adjust your beds, please ask your RA for a rubber mallet

DO NOT put the bed spring on the top notch. The frames crack easily and injury may occur. You will be charged for damage to your bed if it is not stacked properly.

*Cleaning and stocking the bathroom with toilet paper is your responsibility.

*Please clean your bathroom/shower area on a regular basis. Your RA will do inspections on a regular basis.

*Residents of Phillipps should be cautious of sprinkler heads when arranging their room/suite. Any damage resulting from a discharged sprinkler is the financial responsibility of the one who set it off.
